

## Kangaroo Island Thriving Women 2022 Conference Scholarship

On behalf of PIRSA's Bushfire Recovery Program, we call for applications from Kangaroo Island's Women in Primary Production, to be offered a scholarship to attend the [Thriving Women 2022 Conference](#) rescheduled to 1 & 2 August 2022 in Hahndorf.

- This scholarship will be subject to application.
- All submissions will be notified of the outcome.
- Questions can be directed to Jennifer Trethewey, 0427 594 220 or [Jennifer.trethewey2@sa.gov.au](mailto:Jennifer.trethewey2@sa.gov.au)
- Successful candidates will receive registration to the 2-day conference, including conference dinner.
- Responsibility of successful candidate: Meals outside of the conference, accommodation and transport to and from Kangaroo Island to Hahndorf.
- Fire affected Kangaroo Island producers will be given precedence.

### Background:

The [Thriving Women 2022 Conference](#) is the premier conference to secure a sustainable future for women living and working in primary production and associated industries.

An initiative of WoTL Ltd, the conference offers a stimulating and supportive environment that encourages the development of networks, knowledge, and skills through participation and contact with other women. It will link women from rural and urban backgrounds to formal and informal networks and provide opportunities for professional development and self-expression during and post conference.

In 2022, the conference theme is The Impact of Us, which seeks to acknowledge and foster the impact women are having on their own lives, businesses, communities and industries. As a greater collective of us, every woman and man has the potential to impact the agricultural sector, strengthening its foundations for women.

*Conference sub-themes are:*

- Building Strong Foundations
- Future Frameworks
- Cultivating Curiosity
- The Power of Storytelling

Supporting the conference themes will be two inspiring keynote speakers and twenty toolbox talk presenters.

\*This project is jointly funded by the South Australian and Australian Governments under National Disaster Recovery Funding Arrangements.
